## **Intern – South-Europe Electricity Markets (February to April 2026)**

### **Who we are**

Energy Traders Europe represents 178 companies from over 30 European countries. Those companies trade electricity, gas, carbon and various other products. We aim to make sure that power and gas markets are well-designed, competitive and pan-European. This allows them to make the biggest possible contribution to keeping costs down, ensuring security of supply, ensuring competitiveness and enabling the transition to a carbon neutral economy. We represent our member companies' interests by working with decision makers to shape the design of markets, by developing standard contracts which make trading simpler and by developing IT standards to make the exchange of transaction data easier. ### **About the role**

Our national Task Forces organise the advocacy activities of Energy Traders Europe in Member States. We are seeking a motivated Spanish and/or Italian speaker to support the work of our Iberian and Italian electricity Task Forces. The role, under the coordination of experienced colleagues, will focus on facilitating meetings and discussions between Energy Traders Europe members, and fostering connections with local authorities.

### **Your responsibilities**

- Organise meetings of our Task Forces Iberia and Italy, under the guidance of the Task Force Chairs.
- Coordinate objective-driven discussion between Energy Traders Europe members.
- Assist in the preparation of draft advocacy positions.
- Foster connections with local authorities and use them strategically for advocacy.
- Partake in coordination meetings with colleagues of other national Task Forces.
