

Energy Traders Europe Appoints New Gas Committee Leadership Team

Brussels, 17.09.2025 – Energy Traders Europe announces the appointment of a new leadership team for its Gas Committee.

Energy Traders Europe is pleased to confirm today that Dr Paweł Lont will assume the role of Gas Committee Chair, supported by Mr Peter Biltoft-Jensen, Chief Regulatory Advisor at Ørsted Customer Solutions and Ms Anne-Elisabeth Granier, Senior Regulatory Advisor at EDF Trading as Vice-Chairs.

The new team will step into the shoes of Doug Wood who has successfully chaired the Committee for the past decade. Mr Wood will remain with the association in an advisory capacity.

Dr Lont joined the Energy Traders Europe secretariat in 2015 and has been working with our Gas Committee for more than ten years. He was appointed European Gas Markets Manager in 2019, and he holds a PhD in Economics from the University of Lodz.

Speaking upon his appointment as Chair, Dr Lont stated:

"I'm honoured to take on the role as Gas Committee Chair. I truly appreciate the trust in me and our new Steering Committee, and I'm grateful for this opportunity. I'm also conscious of the high standards set by our outgoing Chair, Doug Wood, and am looking forward to cooperating with Anne-Elisabeth, Peter and our wider membership and secretariat to shape the work of our committee. At a critical time for Europe's gas markets, we remain committed to ensuring Europe's gas markets function efficiently and we continue to identify barriers to trade. I'm also looking forward to shaping new markets for hydrogen and biomethane."
