Countries we're present in:

What We've Delivered

energy traders europe

1. 

A consistent advocate for **liberalised energy markets.**

2. 

Effective in shaping recent reviews of **financial regulation.**

3. 

A deliverable vision for Europe's Energy Market through **Integrate by '28.**

4. 

Improving **CBAM**, clarifying the **Russian gas phase-out** and highlighting the risks of **MER**.

5. 

Our **master agreements** underpin all **physical trading** in Europe.

6. 

Our **biomethane master agreement** and target model show how Europe's 35 bcm target could happen.

7. 

Our **data standardisation** streamlines trading.

8. 

Enjoyable and impactful internal and external **events.**
